# ADULT & TEEN CHALLENGE from cover

I can't begin to tell you how many times people have told me they believe we only helped teenagers. After all, the name Teen Challenge suggests that, but that is not all we serve. Our ministry helps men, women, families, and teenagers; however, the vast majority of our students are adults. Because of our history, Rev. David Wilkerson, and the Cross & the Switchblade, the name "Teen Challenge" has stuck. Recently, the leadership in our district has voted for us to be named "Adult & Teen Challenge." We have updated our logo accordingly. This will hopefully clear any confusion concerning the audience that we minister to.

A common misunderstanding we consistently come across is that Teen Challenge is a free program. You would be shocked at how many people believe that. It is simply not true. We all know that nothing is free, and everything has a price tag. It is true—please hear this—that our ministry turns no one away if they don't have the financial support. The reality is that it costs between \$2,500 and \$3,000 each month for each student to be here. Over a twelve-month period, student upkeep costs can exceed \$30,000 for food, clothing, cleaning supplies, educational material, insurance, electricity, gas, salaries, and facilities upkeep.

## SCHOLARSHIPS & ESTATE PLANNING

We do scholarship students however, and we do receive donations to add toward the student scholarship fund to help offset the cost of hosting students. Donors, fundraisers, enterprises, and grants provide some of the finances that make it possible for us to carry out this ministry. We want all students to realize how valuable they are to us, and that what they are receiving in our program has value as well.

Another subject I would like to mention is the extreme benefit to us when donors and supporters of this ministry include us in their Estate Planning. We have several individuals that have done so in the past and that inclusion has blessed us in a very significant way.

Not a month goes by that some family member tells me how their lives have been changed and benefited by what happens here at FHTC. Just this past Sunday, I was speaking at a local church with our men's choir. A husband and wife spoke to me about how their son had been helped here five years ago. That son is now married and has two children. His sisters serve the Lord and their faith has become much stronger. Three generations changed by the power of faith, and transformation by Jesus Christ.

This is an invitation to meet with you personally, and share our vision, our goals, and plans for the future. Possibly you will be encouraged to include us in your Estate Planning, Trusts, or Foundations. My commitment to you is that we will be good stewards with all we are entrusted with.

## ROGER'S RUN: 5K

On Saturday, June 30th, 2018, we hosted roughly 200 participants who either walked or ran the 5k course in the area surrounding our ranch. A special thanks to Modesto Moves for partnering with us to make this event a great success!

After the 5k, we hosted a continental breakfast for participants, raffled off prizes, and had a great time making new friends, meeting donors, and thanking sponsors.

Roger's Run 5k Walk and Run will be an annual event that FHTC will be hosting. We hope you will be able to join us for a future 5k!
