Faith Home Adult & Teen Challenge (FHATC) is a 13-month residential Christian discipleship program that addresses life-controlling problems, including but not limited to substance abuse.

FHATC is located in Ceres, CA on a 35-acre ranch. The program consists of group studies, developing work skills, group counseling, workforce preparation, and additional aspects that are designed to restore an individual and their family before they re-enter society. More can be learned about our program at www.fhctc.life

Please use this letter to inform applicants and others that are in need of this resource.

Entering the Program

1. Our program is for men 18 years of age and older
2. Program costs are covered by student participation
3. Medications for mental health, sleep, and withdrawal are subject to approval
4. 290 registered sex offenders are not eligible

We encourage all those who fit this structure to apply.

If you have any questions or would like to apply, please use the contact information found in this letter.
